### Social Animal Challenge

Smile at a stranger  
Say 'hello' to someone  
Checkout with a cashier  
Sit at at table with strangers  
Go out to eat alone  
Give someone a compliment  
Take a selfie  
Volunteer  
Go to an event  
Have a conversation with a stranger

```
1 from tkinter import *
2 from tkinter.font import Font
3 from tkinter import filedialog
4 import pickle
5 import random
6
7 root=Tk()
8 root.title("Social Animal")
9 root.geometry("520x520")
10
11 label_display=Label(root, text="Social Animal Challenge", f
12 label_display.pack(pady=20)
13 #Define our Font
14 my_font = Font(
15     family="American Typewriter",
16     size=20,
17     weight="bold")
18
19 #create frame
20 my_frame= Frame(root)
21 my_frame.pack(pady=10)
```

# SOCIAL ANIMAL: COMFORT ZONE CHALLENGE

Belen Guevara

Step out of your comfort zone  
one task at a time!
